

SUN 14TH AUGUST FAIRWEATHER INVITATIONAL

Australia's Only Team Field Event!

The Fairweather Invitational is a Team Field Event shot in two stages. Stage One is a WA Field 24T handicapped round, and Stage Two is a four target, four team, one arrow per team member per target shoot off culminating in a two team head to head. We encourage mixed teams of diverse ages, genders, and club affiliations to shoot in teams together to foster development, encouragement, and good relationships within archery, while having fun and dynamic match play.

Register by emailing team to tournaments@greatsouthernarchers.com.au
