Dear Business Owners and Community Members

ARCHERY SA is the peak body for Archery in South Australia (<https://archerysa.org.au>). One of its goals is to promote and increase the practice of archery among women and girls.

ARCHERY SA is holding its second indoor competition, **The Gazelles Tournament**, which will see female archers, aged between 14 and 70, shooting at 18 or 25m (depending their experience) on Saturday 10th September.

We are seeking donations of prizes items from our local community, and this is where you can help!

Please consider donating products, experiences or gift vouchers that we can use for a silent auction on the night or as prizes. It is also an effective way to **promote your business locally amongst our community of archers.**

- You will be acknowledged as a The Gazelles Tournament Supporter in the pamphlet that will be distributed to each participant.
- You will have the opportunity to provide promotional material alongside your donation. It will be included in each participant Welcome Pack.
- We will recognise your contribution with a certificate of appreciation.

The profit of the silent auction and registrations will be used to fund a scholarship to support talented young female archers into their development path.

To organise your donation today, or if you have any queries, please contact Christine Favre (secretary@archerysa.org.au or 0408 788 579)

Thank you in anticipation for your kind donation.
