

Great Southern Archers invites you to the inaugural

INDOOR TEAM CHALLENGE

This is a handicap event for teams of three archers.

Team members do not have to come from the same club and can use different bow types, i.e. one team member could shoot compound, another recurve and the third barebow.

Archers will score their rounds individually and final team rankings will be determined by the adding together the handicap score of each archer in the team. (Team members must have an indoor handicap recorded in Archer's Diary.)

While this is primarily a handicap event (to allow different bow types to shoot together) there will also be an award for maximum off the bow score.

Where: GSA indoor range at the Goolwa Sports Stadium, Glendale Grove, Goolwa

Round: Double AA Indoor 18m

When: Sunday 4 June, registration and target allocation 9:45 am, official practice and scoring starting 10:00.
